NATURAL CORKS

CS NATURAL

Cork Supply is committed to making the most of what Mother Nature gives us. We start with the finest cork wood and invest in state-of-the-art technologies at each stage of the process, from forest to bottle, to guarantee corks of the highest quality. The CS Natural Cork, our premium selection, is extracted from top quality cork wood and undergoes our patented Innocork® process that guarantees consistent sensory performance. The combination of quality, performance and sustainability makes the CS Natural Cork the natural choice for wines.

100% of our natural corks undergo the patented INNOCORK® process.

DS100® and DS10G® services are available.
